

PIANO KEYS & SOLO

PIANO KEYS & SOLO

acoustic dividers & phone booths

The Piano Keys Screen is a breakthrough alternative to traditional floor screens. The free-standing screen is made up of three individual acoustic blinds which stand on a sturdy base plate. The Piano Solo phone booth provide workers with a private acoustic space to make personal phone calls or one-to-one video conferencing. It's designed to keep noise from the outside out, while also enclosing the user to prevent them from distracting others in the workplace.
